EXPERIENCE

YouTube

Aug. 2023 – Present(Inactive)

Creator (@sidiswired)

Hyderabad, India

- Grew channel to **490 subscribers in 1 year**; created 37 videos on filmmaking, graphic designing and productivity.
- Shared personal experiences and tried to post videos on a very different approach like **creating videos using film-making techniques**.
- During the process of making videos, I learnt how to create cool graphic designs and got hands-on experience with a lot of cool tools; **Ex: Adobe Photoshop, Adobe After effects, etc**
- **Highlights:** Messy Room | A Short Film, The Goat life - GOLDEN FRAMES, Kaalam Samaana Vardhante | Monologue

Pixel Hexa

Dec. 2025 – Jan. 2026

Digital Marketing Intern

Hyderabad, India

- Assisting in the planning and execution of digital marketing campaigns.
- Creating and managing social media content across multiple platforms.
- Supporting SEO, analytics, and performance tracking tasks and conducting market research and contributing creative ideas to enhance brand visibility.
- Coordinating with the creative and development teams for campaign requirements.

PROJECTS

Medisphere - Hackathon (Top 10 Finalist)

- A streamlined healthcare platform connecting organ donors, recipients, and medical professionals.
- Built to modernize the organ donation process with smart tech, faster communication, and a compassionate, life-saving focus.

SidFrame - Blog

- Sidframe is my personal blog where I share insights on technology, creativity, and self-growth, wrapped in a minimal design and smooth, distraction-free reading experience.
- Marketed the product and design process on Sidframe; accumulated over **450+ clicks**

PeerlySt. (Ongoing Personal Project)

- Developing a full-stack social platform designed exclusively for college students to connect, learn, and collaborate.
- Engineering features such as authentication, student profiles, posts, notes sharing, clubs, events, announcements, and opportunity boards.
- Focusing on scalable architecture, responsive design, and modern web development practices using the MERN stack.
- **Currently under active development** with continuous feature additions and improvements

Sidiot Media

- Sidiot Media is my visual portfolio showcasing my work in graphic design, motion graphics, and video editing, focused on bold visuals, storytelling, and impactful creative direction.
- Designed for focus, clarity, and a clean developer-first experience.
